The Tradition of Creating of New Traditions

Every year when Christmas rolls around, I can't help but think of all the traditions of my youth; the trees we cut down and decorated, the sledding adventures with the inevitable broken appendages, the food and treats that mysteriously appeared on our doorstep from neighbors enjoying the season. As a child I would dream about how Christmas would be when I was married with kids of my own and these traditions from my childhood that I would continue with my family. I never thought about how my traditions would have to change when I put a fully-grown husband in the mix who had his own Christmas plans and traditions. Now that I am married and living the dream, as it were, I have come to realize that the best tradition of Christmas is the creating of new traditions.

For the past few years my favorite new tradition has been the hosting of the Nativity Walk at the Broken Oar Restaurant. I find myself thinking about how to improve on it throughout the year and the peace and joy that comes from the event. Turning the restaurant into a Christmas fairytale, meeting the new people in the community as they come out to display the nativity that is dear to their hearts, watching each child come in and peek into the different mangers to see the baby Jesus, there is nothing that sets the me in the Christmas spirit like this event and we would love to continue sharing it with the community.

So please, come to the Broken Oar this year and make the Nativity Walk a part of your Christmas tradition where we can join as a community of different faiths and walks of life celebrating a common belief. Every year we have Nativities that vary as much as our community. We want anyone and everyone to come display their Nativity: unique, special, different, and all who want to join the Christmas spirit! As always it is free event and will take place every evening starting at 4:00pm on December 8th, 9th, and 10th at the Broken Oar Restaurant located on 53 West 400 North (435)259-3127. Please contact Randy Apadaca at 435-260- 0166 or Audrena Apadaca 435-210-1963 for any who would like to display or perform at the Nativity Walk this year.
