Castle Creek Winery

Moab, Utah

Red Wines:

Monument Red - A delicious blend of Petite Sirah and Cabernet with medium body and a fruit-forward taste.

Outlaw Red - A bold no-nonsense red table wine much like a noble cabernet.

Castle Creek Merlot - Earthy with a hint of black currant; a little oak and dark berry flavors give the Merlot a smooth taste.

Cabernet Sauvignon - A full-bodied dark red wine with aromas of wood, sweet berries, pepper and French Oak.

White Wines:

Petroglyph White - A dry, crisp wine with medium acid and light body. Pairs well with white meat and poultry.

Lily Rose White - A light, fruity, easy drinking white table wine. Enjoyed with everything from wild game to apple pie.

Chardonnay - A medium gold-colored wine with flavors of ripe fruit and a hint of melon and citrus.

Chenin Blanc - A semi-sweet wine full of flavors of peach and mango. Serves well with seasoned poultry, fish, salads and pasta.
