## Moab Ho Down Mountain Bike Festival

The event is hosted by Moab’s local IMBA chapter—Moab Mountain Bike Association

The Moab Ho Down, a much-loved mountain bike festival in Moab! Moab’s local bike community comes together for this fun-filled weekend of bike riding, bike racing, bike jumping, bike movies, costume wearing, laughter and our communities love for all things biking.

Moab Ho Down Mountain Bike Festival raises funds for our local bike park and has also helped to fund local trail projects over the years. Our local IMBA Chapter, Moab Mountain Bike Association, is the host of the event and has put together a schedule that provides multiple opportunities of fun to be had on 2 wheels! And new this year, we have added group rides for adaptive mountain bike riders. We are stoked to have adaptive riders join the Moab Ho Down along with High Fives Foundation!
