Guest Artist for October is Rick Kinatader, an artist whose travel adventures in the Southwest and Europe have inspired city and landscapes painted in oil, watercolor and gouache. He's especially fond of painting scenes of rural Utah, red rock country, and the Yellowstone/Teton area.

Our Featured Artist for the month is gallery member Antonio Savarese, a prolific and talented painter of Southwest themes. His oil paintings, large or small, celebrate the wondrous qualities of paint, light, and color.
