FREE ADMISSION

Thousands of \$\$ of prizes Friday Night Give-Away!!

Product Displays

The Easter Jeep Safari gathering of four-wheelers becomes a magnet for people who would like to sell something. Where the Red Rock 4-Wheelers use a large arena for registration, there is considerable room for displays outdoors by manufacturers and sales organizations, both large and small.

The product displays have been limited to items of interest to "the 4-wheel crowd," but some spaces have been donated to worthy causes that are directly related to Easter Jeep Safari activities.

This year, there will be displays of 4-wheel-drive products on **Thursday, April 17, and Friday, April 18.** These vendors have rented their space, and many have contributed products to a **giveaway drawing on Friday evening, April 18.** Every registered vehicle in the Jeep Safari receives a ticket to this giveaway (Your ticket will be in your registration packet).

If you are interested in being a vendor at this unique show contact Carma at 435-259-1916 or rr4wvending@yahoo.com

New Products! Repairs Available! Tire Tests!
