

Festival Happenings

Moab Celtic Festival Invites You to 7th Year

We have some changes this year due to the COVID pandemic. We have cancelled our indoor activities. Please visit our website to read our COVID plan. Masks and social distancing are required!

The Moab Celtic Festival brings to life the rich heritage and colorful history of Scottish and Celtic cultures through education, crafts, music, highland dance, drum and bagpipe solo competition and athletic competitions. Patrons can listen to the crowds cheering for the athletes or watch the swirly skirts and dancing feet of the highland dancers. Many clans will be in attendance to share their history and information about their clan. Enjoy Celtic food, shop our many vendors, sign up for Whisky tasting and register for door prizes!

Come watch the athletes as they compete on the main field! Exciting news this year! We will be hosting the Women's Lightweight National Championship!

The fun starts at the Old Spanish Trail Arena on Saturday, November 7th at 8 am and continue throughout the day. Don't miss the Opening Ceremony at noon when all the Pipes & Drums will join together on the field followed by the Clan March. The competitions will continue on Sunday at 8 am. Please join us at 11 am for the Kirkin of the Tartan (a non-denominational religious service). At 2 pm we will hold the Closing Ceremony when the Awards will be presented.

Join the "Scots On The Rocks" for this fun-filled festival and also see what Moab has to offer! Old Spanish Trail Arena 3641 South Hwy 191, Moab.

Visit our website for TICKETS and more information at www.scotsontherocksmoab.org

The Banff Mountain Film Festival World Tour

The Banff Mountain Film Festival World Tour is going to be online this year due to the COVID-19 pandemic. While we can never hope to replicate the theatrical experience of a Banff screening, we can still provide these award-winning films to help provide adventure and inspiration from the comfort and safety of your own home.

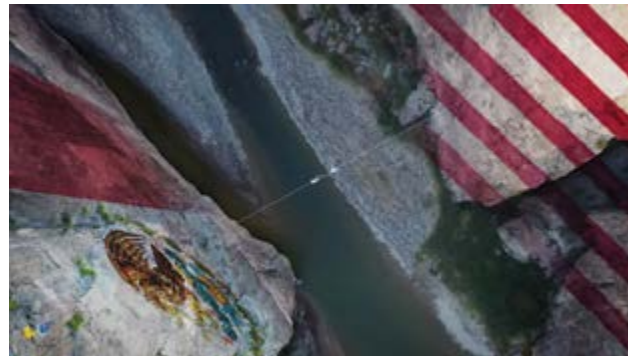

Banff Mountain Film Festival World Tour (BMFF) features the year's best films on mountain sport, culture and adventure. You will be able to choose from a variety of films and have several days to watch the films via a secure web link. In addition to sharing incredible images and profound expressions of the human spirit, the BMFF in Moab benefits two great organizations that are active locally; the Utah Avalanche Center Moab (UAC-Moab) and Second Chance Wildlife Rehabilitation.

Utah Avalanche Center - Moab provides snow, avalanche and mountain weather forecasts for the La Sal and Abajo mountains on a daily basis. The center also provides avalanche awareness, education, and rescue training courses for winter recreational users including backcountry skiers, snowboarders, and snowmobilers. Private donations and fundraising events such as the Banff Mountain Film Festival World Tour in Moab provide a significant portion of the avalanche center's operating budget. Local volunteers also lend a hand to help provide for fun and safe winter recreation in the mountains of Southeastern Utah. For more information go to www.utahavalanchecenter.org.

Second Chance Wildlife Rehabilitation is a non-profit organization located in Price, UT that provides wildlife rehabilitation services for southeastern and south-central Utah. Although they rehabilitate many different types of wildlife, raptors are their specialty. Over half their patients

Bayandalai - Lord of the Taiga

The Imaginary Line

come from Grand and San Juan counties. They perform all of this work nonstop, with little recognition, and no financial reward.

On-line tickets are available September 16th through October 24th at <https://utahavalanchecenter.org>. Make sure to use this link to ensure tickets sales directly benefit the Utah Avalanche Center and 2nd Chance Wildlife. Follow @UTAVY_MOAB on instagram for more details.
