Sep 16 Free Movie Screening 3100: Run and Become- 6 pm at Star Hall, 159 E. Center. This movie documents the most elusive, elite multi-day race in the world, the Self-transcendence 3100 Mile Race. This race is held around one square sidewalk block (0.56 miles) & requires at least 59 miles a day for 52 straight days to complete the event. Post screening Q & A with the only 2019 female participant & two time finisher, Harita Davies. For Info: 505.412.3132.

Sep 17 Free Meditation Class- offered by the Sri Chinmoy Centre. Experience the peace of meditation, music, visualization & mantra. 5:30 pm at the Moab Recreation & Aquatics Center. Reservations are appreciated although not required. For info: 505.412.3132. See ad pg 6C

Sep 18 What Can Go Wrong when they Don't Belong?- 7-9pm at Moab Arts & Recreation Center, 111 E. 100 North. Mountain Goats are one of the most iconic animals of high mountain ranges but the non-native goats are wreaking havoc on the La Sals' alpine plant community. Join us for stories about why these two species are wrong for our local National Forest & what is being done to remove these threats. Brought to you by Grand Canyon Trust. For info: 435-259-6272

Sep 18-22 Festival of Science- held every fall, serves to connect and inspire the citizens of southeastern Utah with the wonders of science & the thrill of scientific discovery. See schedule of events on pg

Sep 18 Free Screening of SkyGlow- 6pm at Star Hall, 159 E. Center St. Join us for a visually arresting night of film & conversation with renowned filmmaker Harun Mehmedinović. SkyGlow, is a timelapse video series exploring North America's night skies & the threat of light pollution to our fragile environment. More info: skyglowproject.com. Presented in partnership with the Moab Festival of Science. See article pg 13B, ad pg 9A

Sep 19 David Vaughn: A Fran and Terby Barnes View of the Moab area & Beyond- this is a look at a sampling of the estimated 30 thousand photos and slides in the collection that Terby donated to the Museum of Moab in 2005. The collection covers the area from Arches to Chaco & from Telluride to Cedar City. Some depict sites now flooded by Lake Powell and others are of the enduring landscape they adopted as home. 6pm at the Moab Information Center, corner of Main & Center Streets. Sponsored by Canyonlands Natural History Association (CNHA) & Moab Museum.

Sep 19 Imagining a Creative Reuse Center in Moab- 6-8pm at the Community Recycle Center (CRC), 1000 Sand Flats Rd. Join the Resiliency Hub as we welcome the staff of the Clever Octopus, Utah's only active creative reuse center, as well as the Solid Waste District board & staff, Wabi Sabi, the MARC, & other community partners to envision Moab-based creative reuse center housed at the CRC. For info: 281-793-6688

Sep 19 Media Mix & Mingle- 7-9pm at The Parlor (behind Moab Garage Company). Work in Film? Want to work in Production? Interested in connecting with other media professionals? Come schmooze with us. For info: 435-259-4341
