## Your Horoscope for February 2019

Mar. 21 - Apr. 20

**Aries** – Change is on the horizon, but you don't yet know where you fit into the equation. Enjoy the unexpected and don't worry so much about the future. Spend more time daydreaming. Even though it may seem to run counter to being productive, you may actually find some inspiration to get things done. A sense of magic in the air. Some may conspire to keep you in the dark about a situation. Don't worry as it will have a pleasant culmination. You have high hopes about everything that crosses your path. This includes your love life. You might be eager to step things up a notch in that area.

Apr. 21 - May 21

**Taurus** – Though you may think you can only choose one direction in life, you really can reverse course and go in another direction if you so desire. You may not take the same path or go in the same direction as the masses. But you find the finish line nevertheless. Keep on tracking your own trail. Once someone earns your love, that bond is not easily broken. You will find new ways to show your affection for a person close to you. Find comfort in the fact that your spouse or significant other and you share the same perspective about important topics. He or she also has integrity, which means a lot.

May 22 - June 21

**Gemini** – Normally you are conservative and weigh things carefully. However, this month your other side takes over and you are apt to be a little more spontaneous. A few blips on the radar may give you pause. But no obstacle is going to keep you from your final goal. You are ready to forge ahead. Sometimes your mind is too quick to speak before you fully think through your thoughts. This can get you into trouble in some instances. Find ways to address any faux paux. Conversations will be on point. Everything you have to say will be unequivocal, and others will follow your instructions in every detail.

June 22 - July 22

**Cancer** – There is only so much time to learn something new at work and you may be worried a bit. Someone will talk you through, and you'll find your way. No matter how much time you set aside, you seem to keep playing catch up. You may need to realize that a few extra helping hands will make a lighter load of your tasks. Past relationships do not have to get in the way of current ones. Things aren't always as complicated as you make them seem. Just go through with your daily business. If you are single, it is possible you will meet someone you believe could be long-term relationship material. This person may be your complete opposite.

July 23 - Aug. 24

**Leo** – If life seems a little more hectic these days, you may be taking on too many responsibilities. Lighten the load and focus on what matters most. You can't contain your excitement or keep a secret at this time. Avoid seeking secrets because you might let the cat out of the bag and don't want to disappoint. Things will seem like a piece of cake, so much so that you may wonder if there's a catch. There is no catch. Enjoy your good fortune and lightened workload. Finding success in things that you want to do can take a few rough drafts. Do not be discouraged if a few attempts do not yield the desired outcomes.

Aug. 24 - Sept. 22

**Virgo** – It can be challenging to wrap your head around certain goals. However, you will manage to pick and choose those tasks that are most important and get things done. Do not try to take control of a situation on which you have a tenuous grasp. Other things of greater importance require your attention. You may enjoy an unexpected respite in the next few days. Initially you may not know what to do with your time off.

But soon enough you will figure it out. Communication will come much easier to you this month. This hasn't always been the case, as you sometimes worry about how your words will be received.

Sep. 23 - Oct. 23

**Libra** – You may be compelled to be introspective this month. Use this time to reflect and explore all the reasons why you typically enjoy being an extrovert. Domestic bliss describes your life at this point. You may have welcomed a new baby or pet into the family, and you are enjoying this new dynamic. Even if you might be afraid of confrontation, you should not use that as an excuse that prevents you from righting wrongs. You will find your voice. An event may occur this month that fortifies financial stability at home. This may involve real estate or developing a new long-term financial plan.

Oct. 24 - Nov. 22

**Scorpio** – If there is something on your mind, now is not the time to share it with everyone. Let this settle for a bit, then choose the right time to share your discovery. Even though you may have had to jump over many hurdles of late, you will come through stronger for having done so. Your focus and commitment to the task at hand are unrivaled. Others may not understand your passion, but all will be happy with the results. You will not need to work too hard to prove to someone who loves you just how amazing you are. These people understand that, and you're grateful for it.

Nov. 23 - Dec. 21

**Sagittarius** – People around you who are irritable might try to pull you into their situations. Resist the urge to become influenced by their bad moods and perceptions. A demand for your attention reaches a fever pitch. You may not know what is spurring on this sort of popularity, but you are anxious to enjoy every minute of it. Be there for someone who comes up to you and asks for help this month. Every little bit helps, and your generosity will be greatly appreciated. As long as the people you surround yourself with are able to respect you and give you some breathing room, they're healthy to be around.

Dec. 22 - Jan. 20

**Capricorn** – A little extra concentration will have you flying through your to-do list in no time. Devote the time now and enjoy the reward and time off later. Big changes are on the horizon. It could be a new job opportunity or maybe a relocation if you have been thinking of making a fresh start. Think about what you have to offer this month. Run your plan by someone you trust. You may not be ready for the spotlight. Friends will not steer you wrong this month, especially if you are looking to them for advice on love. They may have some heartfelt words of wisdom.

Jan. 21 - Feb. 18

**Aquarius** – It is never too late to get some exercise, even if you think that a dedicated workout regimen can't fit in your schedule. Try socializing while working out. Even though you may have to go out on a limb and out of your comfort zone, you may find that doing so gives you the fresh perspective you've been seeking. A string of misunderstandings will soon get worked out. All will be right in the universe once more, and you can get on with all of the plans you have in mind. Your love life and social life are intertwined at this time. It is very likely that you will spend ample time with friends as well as that special person in your life.

Feb. 19 - Mar. 20

**Pisces** – passion comes to the forefront. If you keep your options open, you may be surprised at what comes your way. Ask someone to remind you of an important deadline, as you have been a little scatterbrained as of late. Don't let this pass you by. Take a few extra moments each morning or evening to slow down and think about all the good luck that has recently come your way. Many people set goals early in a new year, and you can try to follow suit. This may provide some guidance for you as the year progresses.
