KZMU Spring Radiothon 2019

April is a big month for KZMU and this year we're leaning in to the festivities even harder with community events sprinkled throughout the entire month. First off,

KZMU turns 27 on April 2nd. Tune in for the Mayor's proclamation of KZMU Day at noon, and then again at 4 PM for the first premier broadcast of Uranium the Musical! The rest of the day will be dedicated to

celebrating 27 years of broadcasting unique, inspired, musical programming; 27 years of folk, rock, heavy metal, hip hop, classical, country, alternatwang, reggae, bluegrass, Pan-American, Native American, indie,

Americana, electronic... 27 years of dynamic interviews and conversations with musicians, artists, politicians, authors, and activists; 27 years of Kranking Ze Music Up and proudly remaining human-powered, community-centric radio in the heart of Moab, Utah.

On April 14th, KZMU presents Shana Cleveland at the Seekhaven Chapel on 1st North. This is an all-ages show with local opener Haley Noel. Shana came to Moab two years ago with her full band La Luz, the psychedelic surf rock quartet and is touring to support her sophomore release Night of the Worm Moon. There is a \$10 suggested donation at the door. Find out more on our Facebook event page.

On April 18th, we'll host the WabiSabi Nonprofit Networking Social. This is a gathering open to all community members and non-profit organizations wishing to share resources and stories with kindred spirits. That's at noon at the KZMU studios, 1734 Rocky Road.

KZMU's Spring Radiothon kicks off April 19th and continues through April 27th bringing you special programming, exciting premiums, live broadcasts, and more during this 9-day fundraiser. We are entering our 4th year of being 100% community supported, having been defunded from the Corporation for Public Broadcasting in the fall of 2015. The past four years have been spent recovering from the loss of federal funding and while challenges have been aplenty, the time has also been inspiring, heartwarming, and validating because of the support from listeners like you.

Our goal for this spring is \$35,000. This is what it takes to keep our station humming along for the next six months. As we glide into Spring and dig our heels in to the rich red dirt that surrounds us, we wish to thank each and every listener who has helped us get this far. We recognize your continued support and humbly thank you in advance for your future contributions. We truly would not exist with you!
